RE: Thakur v. Trump, No. 3:25-cv-4737

Dear Judge Lin:

Pursuant to the discussion during yesterday's hearing on the motions pertaining to the Department of Energy, on behalf of Plaintiffs, please find attached the transcript of a status conference from a similar case pending in the District of Columbia (*City of St. Paul, et al. v. Wright, et al.*, Case No. 25-3899). As Ms. Polsky represented, that conference also occurred yesterday, and the government's position as to what showing is required to establish an equal protection claim under the rational basis standard is discussed at pages six to seven (specifically, 6:16-7:24).

Respectfully submitted,

Kevin R. Budner
